An assignment of the entire right, title and interest in and to the subject matter of the '106 application and the '465 patent was recorded in the United States Patent and Trademark Office in the '179 application on January 26, 1998 at Reel/Frame 8934/0212 and in the '465 patent on March 16, 1998 at Reel/Frame 9067/0001.

The undersigned hereby states and certifies that:

1. The undersigned is an attorney of record in the '106 application and is authorized to act on behalf of assignee corporation in connection with said application; and

2. The above-identified assignment documents have been reviewed and, to the best of the undersigned's and assignee's knowledge and belief, title to the '106 application and the '465 patent is in assignee.
